

Arkansas Head Start Association  
Board of Directors Meeting Minutes

November 28, 2017

In the absence of President Rhonda Ahrent, Jackie Govan called the meeting to order at 1:00 pm via conference call. Due the urgency of the association's business and the inability of the members to attend a meeting, an explanation of the item requiring a vote and information pertinent to the item was sent to all board members ahead of time for review.

Members present during the call were: Tequila Smith, Jackie Burton, Shirley Pulliam, LaTasha Dodd, Jackie Govan and Deanna Howell. At this time, it was established there was not a quorum – therefore, a motion to send out the information needed via email for a vote was made by Jackie Burton and seconded by LaTasha Dodd. The motion carried to approve the 2018-19 HSSCO Arkansas Head Start Collaboration Office Grant Application via email poll to members.

The Grant Application was subsequently approved by all board members (via email poll) on November 29, 2017.
