

Getting Ready for 2023 Calling All Fathers

Powerful Conversations with Fathers

The Head Start State Collaboration Office and the Fatherhood and Family Initiative is proud to present opportunities for fathers to come together and learn the latest education updates, learn from key state partners, provide support and share their stories. ***These sessions will be offered four times in 2023.*** Please join us to hear their stories and to provide feedback and ongoing support!

Speaker: James Hollywood III

Arkansas Head Start Association Board Member
