Hello Early Head Start-Child Care Representatives! Happy New Year!

We found a space that is large enough for us to spread our wings and still be able to network and learn. Therefore, we will be meeting face-to-face this month for our quarterly meeting. Please be prepared to provide a brief update about your program. We want to hear about the fun and exciting things you are doing!

We have an exciting agenda for you, whereby, we will be providing you with many updates, plus things that will help to enhance your program. The agenda will be sent out prior to this dynamic meeting. Plus, there will be more additional information provided at a later date.
