I make a motion to approve the following:

1. To approve the cover page for the 2024 Program Institute Booklet.
2. Since we will be having an AHSA meeting on April 30th, I am asking that we cancel the AHSA meetings for May and let the meeting for April 30th stand for the May meeting.
3. The institute committee and I agreed that we would love to include an opportunity to identify a competitive plan for AR programs identifying the top three programs who sent the most participants to the institute. These programs will be recognized at the closing session on the last day of the institute.
